Tejas Vending™

I know you are asking yourself, "What is the catch? It has to be a gimmick," but it is not! We provide Sweepstakes Games that are fun, entertaining and legal for your existing customers to play and bring in new customers. People will stay in your facility longer and spend more money. By your becoming a sponsor, you get a percentage of income for providing the location for us to put the games. The money you earn is considered rent and is passive income. We pay all costs for computers, equipment, and installation and training. All you do is collect the money.

TESTIMONIAL – TAYLOR, TEXAS

Hi, my name is Sherry Bayles. I am the manager of a bar in Taylor, Texas. Our bar had sweepstakes games by another company, which had been there for years. Tejas Vending came in and installed new games, new counters, new furniture the end of December 2015. Our sales immediately shot up and have gone from \$5,000 per month in Games business to over \$30,000 per month. It is incredible. They also helped us make more money on ATM and cut our credit card fees in half.

TESTIMONIAL – TRAVIS COUNTY, TEXAS

Hi, my name is Shana Cook. I am the general manager of a bar in Travis County. We have had sweepstakes games for over four years, and we have always done well. When Tejas Vending came in and shared new strategies of how to do it better and raise more money, we were skeptical at first. However, after a lot of thought, we decided to give them a chance. Wow! Are we glad we did! In less than three months, our bar has become the #1 grossing bar in the USA! We also attended ceremonies where Tejas Vending made substantial donations to our local American Legion. We are ecstatic to be doing business with Tejas Vending. They are family owned and good "down to earth" fellow Texans. We really like its "neighbors helping neighbors" philosophy, and I would highly recommend them. PS: We also got a new ATM that is great. It makes more money than the previous vendor, and they pointed out we were not using the new "chip" credit card readers. I didn't realize the liability we had. They also cut our credit card merchant fees by 70%!

TOP TEN REASONS TO PARTNER WITH TEJAS VENDING

- 1. Sweepstakes Games** – Tejas Vending represents not one, but multiple game systems. Tejas Vending pays the highest license fee in the industry (2 times more), but it is worth it because of the superior games. As the saying goes, “You get what you pay for” and best of all, Tejas Vending absorbs the additional cost.
- 2.** We can even install two systems, so your customers will have 52 games to choose from on two separate and unique systems. In addition to the variety of games and better quality, the jackpots are the highest in Texas Sweeps, and people chase the money! Also, if the “Big One” goes off on one system, the customers don’t leave and go down the street to the competitor, they simply go to the other side of your game room and keep playing and promoting the food and alcohol programs. This has proven to increase sales.
- 3. Community Prize System** – In addition to the two game systems and 52 games, we have two Community Prize Games that have 3 – 4 levels of intermittent cash prizes that go off frequently from \$20.00 up to \$15,000.00. When the Community Prize goes off, it is divided among all players that are currently engaged and playing on that game system. It is added excitement for players and keeps them motivated. At the end of the day, this means more money in your pocket.
- 4. Furniture and Fixtures** – We can provide and install new custom countertops for computers to sit on that are attractive, sturdy and durable.
- 5.** We can provide top quality seating (cost over \$400 each) that are not only attractive, but extremely comfortable.
- 6. Kiosk** – We can install a kiosk that allows customers to make donations. This is like having a designated POS just for games, and it will take load off bartenders and will increase sales.
- 7. ATMs** – If you get enough volume, we can also install one or more ATM’s in your facility to keep up with the cash demand. If you have an existing ATM and agree to remove it, we will pay you a \$300.00 signing bonus. We will also pay you a competitive rate per transaction. This can easily add \$500.00 per month income – over \$6,000.00 per year (if you have the volume).
- 8. Referrals** – We Pay You! For any referrals that come from you, we will pay you \$300.00 on ATM’s and \$1,000.00 on new Sweeps accounts.
- 9. Service**
 - a.** Tech Support – We are available anytime to take care of you. We have 24/7 support and will have a tech on site generally within two hours, and they will come by monthly to clean and inspect the system.
 - b.** Sales/Training – We will have a representative assigned to your account who will be in regularly to check on you and train your employees on how to sell customers on game play and how to teach customers and engage them.
- 10. Merchant Services** – We can provide you with Platinum Processing for your credit card processing that is updated and bank sponsored, and will save you money every month endlessly. In fact, we are so sure we can save you money, we will at no cost do a side by side comparison of your last statement, and if we cannot save you money, we will give you \$100.00 in cash. Also, new laws went into effect in October 2015 that shifts the risk of fraud from the bank to you, the merchant. If you are not using the new “chip reader” we will provide chip reading equipment at no charge when you sign up with Platinum Processing.

"I'm speechless, this is truly a blessing!"

DONATIONS

Most important is that we make donations every month based on previous month's income, and we do it not only in our name, but with your permission, in your name as well. We get photos framed and display them on walls, so your customers can see where the money is going, creating a win/win for everyone, helping Veterans and giving back to the Community!

APPRECIATION

We appreciate your giving us the opportunity to do business, and we do nice things for our clients, including, but not limited to, paid vacations, tickets to special events. We also reserve 1% of the income, and with your permission, pay it out to your employees as a bonus for helping promote the games. (This can be done quarterly, semi-annually or at the end of the year.)
